Dear Parents

Re: Parent Communication

We consider each child's education to require a 'partnership approach' between the school and the parents. We maintain effective communication with parents in a variety of ways. Parents will be kept informed about the day-to-day life of the school through regular 'Bi-Weekly Newsletters' and daily diary communications from class teachers. Information can also be found on the school website at www.deps-sch.ae

In order to work hand in hand to comply with the school vision and philosophy, we consolidate the ties between both the parents and school management. Below are the school administrators that you can contact, if you have any concerns:

Department	Person-in-charge	Email Address	School Extension
Early Years (Nursery to Reception)	Ms Clemy Fernandes	vprincipal@deps-sch.ae	125 / 162
Primary Stage (Years 1-6)	Ms Vuvu Gaxela	curriculum-co@deps-sch.ae	153
SEN student (Early Years to Primary)	Ms Zainab Farooqi	senco@deps-sch.ae	150

If there are any unresolved matters, please send an email directly to the following:

- Mr Ajmare Sundher – Principal – ajmare.sundher@deps-sch.ae
- Ms Clemy Fernandes – Vice Principal – vprincipal@deps-sch.ae

Best wishes

School Administration
