I like film club because we can act and watch short movies. Last class time, we made posters and we made videos about friendship in school. Film club helps us face our fears and be a better actress when we go onstage.

BAKE SALE

Dear Parents,

This year we will be holding the long awaited 'Bake sale' event on Thursday, 20th October 2016.

It would be fantastic if you could bake some cakes or biscuits at home and bring them to school on Thursday morning to contribute in raising money for our goal. Your generous contribution to this Bake Sale will support your child's Reading program and will be very much appreciated.

We are aware that not everyone may find the time to bake, thus we ask that you consider buying baked goods and contribute them to school.

At the same time, please encourage your child to buy some treats on the day by giving them some money to spend! The baked goods will be sold starting from AED 1.00 to AED 5.00

As usual, we would like to encourage healthy eating by selling tasty and healthier treats. This means that all baked goods – home-baked or store-bought – must meet the nutrition standards of the school. We ask parents not to include any nut products in your baking.

Kindly drop off baked goods on Thursday morning, 20th October 2016 in the STAFF ROOM.

If you would like to volunteer by setting-up and selling items during the Bake Sale event, or need any other information about these, please contact the Librarian at library@deps-sch.ae or call 050-4784548.

We hope that you will support this fun event and help us create an amazing day for our students.

Thank you in advance for making the bake sale a success!
